Scouting Essentials

CALLING ALL SCOUTS!

Feb.- Nov.

Here is your chance to learn, prepare and start earning patches.
Join us every Tuesday night from 6:30pm-8pm for courses on fun Outdoor Activities taught by Industry Professionals .

Archery

Give your group the chance to experience this ancient art form. We will build arrows, learn safety and shoot in a real range.

Outdoor Cooking

This class will use common cooking tools, show popular scout recipes and teach safe cooking skills.

Fishing

Here is your chance to learn basic fishing techniques, cleaning and how to fillet your catches in time for dinner.

Rope Skills & Knife Safety

Learn 5 basic knots that can help save you in the outdoors. Also knifes are great but do you know how to use one?
Join our team and bring your own Pocket Knife for hands on Knife Safety.
